**Deviations:**

- 1) A 1 Pump, Inc. did not include the required dates for either the start of work or the completion of work and they failed to provide product data and submittals as required by the RFB. Bid is considered non-responsive.
- 2) DNB listed numerous deviations and failed to bid a firm fixed price as required by the RFB. They also excluded the cost of the crane needed to offload the fuel tank at the site and they failed to acknowledge the bid addendum. Bid is considered non-responsive.
